Description

New construction: Villa with spectacular sea view in Santo Stefano al Mare.

The newly built villa can still be customised internally and is currently divided into two flats.

In total there are two large living rooms, each with a kitchen, four bedrooms, five bathrooms and a storage room.

All rooms have a great view with spectacular views to the sea and the natural surroundings. A large garage completes this great property.

Outside, the villa delights with a mostly flat plot and inviting terraces. Here, there is the possibility to realise a pool.
