## Description

The Casale is a beautiful 16th century farmhouse situated in a panoramic position on the hills between the Marche and Umbria.

The farmhouse, which is ideal for accommodating guests, was completely renovated in 2001, while the heated 5 x 10 metre infinity pool was newly built in 2013.

There is also a jacuzzi for 4 people and a brick barbecue.

The fenced plot is approximately 4000 square metres and also includes a part of the forest where there is a water source from Roman times. There is also a connection to the public aqueduct as well as 5 tanks for collecting rainwater.

The stone farmhouse is approximately 320 square metres and is divided as follows:  
On the ground floor: entrance with antique wood stove, living room with fireplace, dining room, large kitchen with pantry, a bathroom-laundry room and a triple bedroom with en-suite bathroom.

Also on the ground floor there are two large independent rooms with private bathroom and shower, accessible from the outside.

On the first floor there are 3 double bedrooms and 3 bathrooms.

In the basement there is the garage and the porch, where another bedroom with bathroom has been created.

Heating is provided by LPG radiators and there is a heat pump.

All furniture is included in the price
