Description

In the heart of the picturesque village of Castagneto Carducci, we offer for sale a prestigious flat recently renovated in 2023.

This unique property combines historical features with fine finishes and a modern touch. Located within a palace built in 1824 by the Della Gherardesca family, the flat is on the second and top floor and covers a total area of 210 square metres.

The flat consists of a dining room, a large kitchen, a living room, two bedrooms, two bathrooms with sauna, Turkish bath and Jacuzzi, and a storage room. Every detail has been carefully considered to maintain the building's historical elegance, while the seven panoramic overlooks offer breathtaking views of the sea and surrounding hills. One of the most charming features is the rooftop terrace, equipped for relaxation, aperitifs and unforgettable dinners with friends, with a 360° view.

The flat is equipped with all modern utilities, including a methane gas heating system and hot/cold air-conditioning system, ensuring comfort and convenience in every season. The recent renovation has made it possible to keep the original features intact, while adding all the necessary modern comforts.
