Description

BEAUTIFUL COUNTRY HOUSE VILLA WITH GUEST HOUSE - JUST A FEW MINUTES FROM FANO

In a beautiful quiet panoramic position, about 5 km from the center of Fano, Monte Giove, there is this completely renovated villa with an independent dependance.

The garden of about 3500 m² is planted with olive trees, fruit trees, cypresses and centenary oaks and offers the possibility of building a swimming pool.

The country house of about 230 m² is spread over two levels:

On the ground floor there is a large living room with fireplace, kitchen, dining room with fireplace, laundry room and small bathroom. From the kitchen and the living room you have access to the covered terrace of about 40 m².

On the first floor we have 3 bedrooms, one with mezzanine and fitted wardrobes, two bathrooms and a storage room.

The outbuilding of about 53 m² consists of a kitchen-living room, storage room, double bedroom and bathroom with shower.

Throughout the house there are wooden beams, parquet and terracotta floors and excellent finishes throughout the house, both inside and out.

The interior and exterior fittings are made of varnished wood; the windows are double glazed. In a basement separate from the villa there is the technical equipment and the autoclave for the rainwater collection tank.

More information and floor plans are available on request.
