Description

In a beautiful panoramic position located completely renovated Tuscan country house near Poppi in the province of Arezzo.

Built in 1886 and completely renovated in 1995 with antique materials, this spacious country house has 118 m² of living space on two floors and 59 m² of usable space in the basement.

Using the typical and sometimes also antique materials such as beams, cotto floors, sandstones, the building on three levels was wonderfully renovated by the current owners .

This traditional wonderful country house has been divided on two floors into two independent bright apartments with their own entrances. Each apartment has kitchen, living room, two bedrooms and living-dining room. The apartment on the first floor has a covered balcony terrace overlooking the green nature. In the basement are also several rooms to be used as guest rooms, studio, storage rooms. The rooms have large iron doors to the garden. Until recently, the apartment was used on the 1st floor for holiday rentals.

The extensive estate extends over approximately 5.6 ha. Approx. 6000 m² of this is garden in Mediterranean style with automatic irrigation. There is also a beautiful pool.

On the remaining 5 hectares of land, an olive grove (about 100 olive trees) has been planted in terraced form with the traditional sandstone walls so typical in Tuscany.

Almost all the windows face south, facing the valley and La Verna, where the beautiful monastery of Francis of Assisi is located.

The owners have created a 100 m deep well for the private water. Also, this Tuscan country house has a private cemented access road, tool shed, automatic entrance gate, mosquito screens on the windows, restored stove, and much more. It's fully equipped.
