Description

Situated on a hilltop, in a dominant position with sweeping sea views, this newly built villa with a total area of 319 m² is spread over three levels.

The basement features a large storage room, a bathroom, a utility room, two large bedrooms, and a veranda overlooking the swimming pool.

The ground floor – accessible by elevator – features a large kitchen with an island, a large living room with a fireplace, a large panoramic terrace, a bathroom and a utility room.

The first floor features three bedrooms, a bathroom, and a balcony with panoramic views.

The villa is surrounded by a 600 m² fully fenced park with a beautiful 3 x 20 m swimming pool.

The property features a 6 kW photovoltaic system with 30 kW storage batteries, two electric car charging stations, an alarm and video surveillance system, gas heating and solar panels with a hybrid boiler, Daikin air conditioning (hot/cold) in all living areas, a water system with an autoclave and water softener, and an automatic garden irrigation system.

Access to the villa is via a 500-meter-long, well-maintained gravel road. The distance to the sea is 16 kilometers.
