## Description

Completely renovated country house with panoramic views and a pool.

The villa was completely renovated in 2015 using high-quality materials, while preserving the original features of the house such as exposed brickwork, beamed and vaulted ceilings and terracotta floors.

The villa is spread over two floors with a total area of approximately 200 sqm.

On the ground floor is the entrance hall, the spacious living/dining area with a fireplace and the modern, fully equipped kitchen.

Also on the ground floor are a large bedroom with an en-suite shower room and a utility room.

The original stone staircase, located centrally next to the front door, leads to the first floor with three spacious bedrooms and bathrooms, two of which offer both a shower and a bathtub.

Amenities include air conditioning (hot/cold), gas heating and Wi-Fi.

The property comprises approximately 1 hectare of land with olive trees, Mediterranean scrubland, fruit trees, and a beautiful 5 x 14 meter swimming pool with a depth of 1 to 2.5 meters.

The pool area features a shower, a barbecue and a wood-fired oven.
