Description

Apartment in a house of two apartments Lake Maggiore - Located in the village of Vedasco, this property underwent a radical renovation in 2016.

Access is through an ancient gate that leads to the shared private courtyard; from here the property extends over three above-ground floors, divided into two separate and independent residential units.

The apartment, which occupies the ground floor and the first floor, offers welcoming and well-organized spaces:

On the lower level there are two spacious bedrooms, each with an en-suite bathroom.

Climbing the internal staircase, you reach the living area: a bright open space where the kitchen and dining room harmoniously dialogue. Also on the same level, there is a cozy TV room reserved for relaxation.

From the dining area, access is gained to a private terrace at the back: an oasis of tranquility that houses a swimming pool and a large communal table, perfect for outdoor lunches under the shade of a centuries-old fig tree.

A short distance from the property, there is a convenient public parking lot that also offers charging stations for electric cars.
